Zoom Bai Nin (拜年) with Brother Thomas

Eddie Liu (88)

On February 21, 2026, geography proved no barrier to the La Salle spirit. Old Boys from across North America, Europe, and Asia dialed into a special global Zoom session to usher in the Lunar New Year and offer our collective "Bai Nin" greetings to **Brother Thomas**.

It was a rare and heart-warming opportunity to not only share our blessings with Brother Thomas but also to see familiar faces from around the world and hear personal updates from fellow old boys. Spanning decades of graduation years, the session brought a piece of Hong Kong to every corner of the globe—proving that no matter where we go, we remain a single, connected community.

Hong Kong LSCOBA Spring Dinner

Eddie Liu (88)

On March 20, the Hong Kong alumni community gathered for a memorable Spring Dinner that showcased the enduring strength of the Lasallian bond. With 40 tables filled to capacity, the event provided a wonderful opportunity for over 460 participants to reconnect, including a special group of retired teachers who were honored guests for the evening. The atmosphere was one of profound unity; as the chapter looks toward the 95th Anniversary, the event served as a meaningful step forward in supporting the Alma Mater with a renewed, collective spirit.

UK Chapter's Spring Dim Sum Gathering

David Ho (94)

The UK Chapter kicked off our first event of 2026 with a Spring dim sum gathering in Chinatown, London on Saturday, 7 March 2026.

All gatherings are precious and emotional, especially when many old boys travel from far away to attend. This united spirit is something we are always proud of.

A very special thanks to Ken Leung (2002), who supplied all the wine we needed for the event — six reds, six whites, and six desserts. You are very kind and generous.

We would also like to thank Christopher Lee (1998), who prepared some very special La Salle badges and magazines for fundraising. Thank you to everyone who made donations to support the UK Chapter.

Singing the school song was the highlight of the event. Bryan Au Yeung (2023) explained the background of the school song and led us in singing it together.

Finally, let's thank Eddie Chan Si Hing (1971) and Francis Wan (2003) for liaising with the venue and collecting payments. Your work behind the scenes allowed us to fully enjoy the event.

The weather is getting warmer in the UK, and more summer events such as cycling and hiking will be announced soon. We look forward to more sunshine and gatherings in 2026!

Toronto's Chapter Spring Dinner

Toronto Chapter

A Night of Rivalry and Reunion: The 2026 Louis Pomeroy Memorial Tournament

The Toronto Chapter proudly hosted the 2026 Louis Pomeroy Memorial Mah Jong Tournament and Spring Dinner on March 8, 2026, at the elegant NKS Banquet Hall (帝豪名宴). The evening brought together a remarkable gathering of old boys and distinguished guests, united in camaraderie and spirited competition. This year's event was particularly special, highlighted by a strong showing of father-son duos among the old boys.

The afternoon saw intense focus across the mahjong tables, where players vied for top honours, while relaxed, non-competitive tables offered a welcoming space for casual play and connection. The excitement reached its peak with the presentation of the prestigious Louis Pomeroy Memorial Trophy. Our chapter president, Kevin Kwok (1988), had the honour of awarding the trophy to the highest-scoring old boy, Sam Cheung (71), in a moment met with resounding applause.

Mah Jong Competition Results:

- Champion: Sam Cheung (71)
- 1st Runner-Up: Benjamin Yip (76)
- 2nd Runner-Up: Thomas Tsoi (2001)

The evening was elevated by the presence of beloved retired teacher Mr. Chan Tong, whose attendance was met with great warmth, as well as representatives from ten joint-school alumni groups. The dinner programme gained tremendous momentum with a lively mid-event auction, which not only stirred excitement but also successfully raised valuable funds for the chapter. We extend our sincere thanks to Thomas Lau (69) for contributing a captivating collection of old campus photos from La Salle College. Congratulations to Stlina Kwok, the winning bidder and keeper of Kevin Kwok (88), on her successful acquisition.

The night concluded on a high note with a thrilling lucky draw that left attendees smiling. Our deepest gratitude goes to the dedicated team whose efforts were instrumental to the evening's success: Danny Au Yeung (67), Ambrose Cheung (70), Vincent Ho (88), Ken Wong (90), Chris Fong (94), Michael Kong (94), Sunny Leung (96), Andrew Sin (2000), Robin Siu (2000), Alex Tsoi (2016), and Kelvin Ho (2019).

Special recognition is due to David Sin (69) for leading us in grace before the dinner, and to Kenneth Lam (89) for skillfully capturing the evening's memorable moments as event photographer.

In addition, we have commenced selling Hong Kong Old Boys Association merchandise, and the group ordering initiative has proven highly successful.

To all who joined and contributed, thank you for making this event a resounding success. We eagerly anticipate welcoming you once again in 2027 for another truly memorable gathering.

Joint School Alumni Association Celebration Dinner 2026 (Toronto)

Toronto Chapter

The Hong Kong Joint Schools Alumni Association (HKJSAA) celebrated the 2026 Chinese New Year with a lively Mahjong and Dinner Event on Saturday, February 21, at the NKS Banquet Hall. The annual gathering brought together over 200 members and guests from nine affiliated alumni associations for an evening of friendly competition, festive dining, and cherished camaraderie.

The event featured a spirited mahjong competition, with Benjamin Yip (76) of the La Salle Old Boys Association emerging as the overall champion.

Attendees enjoyed a vibrant atmosphere filled with laughter and conversation, providing a perfect opportunity for old schoolmates to reconnect and for new friendships to form.

The HKJSAA was established shortly after the 25th anniversary of the Joint Schools Valentine Ball in 2011. Its founding mission was to preserve the enduring friendships that have flourished since the inception of the first Joint Schools Valentine Ball over 35 years ago. The Association's Organizing Committee, which meets several times a year, is composed of representatives from the following alumni associations in Ontario:

- La Salle College
- Paulinians
- Sacred Heart Canossian College
- St. Francis Canossian College
- St. Francis Xavier's College
- St. Joseph's Anglo-Chinese School
- St. Joseph's College
- Wah Yan College, Hong Kong
- Wah Yan College, Kowloon

Vancouver Chapter's Chinese New Year Dinner Gathering

James Ng (74)

On March 8, 2026, our club gathered at Neptune Seafood Restaurant in Richmond to celebrate the Chinese New Year of the Horse with a festive dinner. The turnout was remarkable, with 58 attendees filling the room with energy and excitement. Though a little crowded, the atmosphere was lively and full of cheer.

The evening began on a high note as we sang our [school song](#), setting a spirited tone for the celebration. This was followed by a warm welcome and member introductions from James Ng, our president, creating a relaxed and friendly ambiance.

One of the highlights of the night was the Best Dressed Chinese Outfit contest, where Sylvia and Aileen stole the show, winning the loudest applause from the crowd.

Sally was overjoyed when she won the 50/50 draw, crediting her good fortune to the arrival of her new daughter-in-law. Meanwhile, Charles impressed everyone by outlasting all competitors in a lively Chinese idioms game.

All in all, it was a wonderful evening filled with laughter, connection, and a true sense of camaraderie.

Washington D.C. Chinese New Year Gathering

Eddie Liu (88)

Celebrating the Year of the Horse! Old boys in the “DMV” area gathered for a wonderful Lunar New Year dinner at China Garden in Rockville on March 15. While we missed those who couldn’t join us, it was a fantastic evening of great food and even better company.

New York / New Jersey Region Year of Horse Celebration

Peter Lai (67)

The New York City region was under a series of bitterly cold weather in the past two months, and was recently hit by two consecutive snowstorms, each dumping close to two feet of wet snow onto the region. Finally, the long-awaited seasonal weather and sun shine returned at the end of February. On a Saturday afternoon, February 28, thirty-four Old Boys and their families got together to celebrate the Year of the Horse.

As always, the event took place at the Orchard Chinese Restaurant located in Garden City, New York, which is the most favored restaurant for the OBs because its owner and head chef, James Ng (Class of 66), always creates a house specialty menu for the occasion. This year's menu not only included their famous mouth watering orchid duck and the Sichuan-style dan-dan noodles, but also hot and spicy seasonal crabs, abalones, sea cucumbers served with huge dried mushrooms, and of course, the 6-course appetizer to get the ball rolling.

The celebration took place from noon to 4:00 pm with plenty of wines and liquors. In short, everyone had a great time catching up on the latest, sharing old memories, and enjoying the wonderful, delicious meal. Last but not least, our heart felt thank you to James and his wonderful staff for the arrangement and friendly services. To this end, on behalf of all the participants, wishing a Happy, Healthy, and Successful Year of the Horse to all the Obs and families, God Bless La Salle College, and may peace be with the world.

LSC Old Boys & PTA BBQ Gathering

A Night of Warmth, Flavor, and Fellowship: LSC Old Boys & PTA BBQ Gathering

The embers were glowing, the laughter was loud, and the spirit of La Salle was in full swing on January 31, 2026, as the LSC Old Boys Association (HK) and the LSC Parents and Teachers Association came together for a spectacular BBQ Gathering at LG2, within the La Salle College campus.

With the heavens smiling down in perfect weather, the scene was set for an unforgettable evening. The air was thick with the irresistible aroma of sizzling delicacies, and the familiar campus grounds added a deep sense of connection and nostalgia. Adding to the vibrant mix were overseas Old Boys who joined in the gathering, making the event an even more special celebration of the Lasallian spirit. Old friends, current parents, and teachers mingled as one community, proving that the Lasallian bond knows no borders.

From the first bite to the last, delicious food fueled the merriment, while the energy among the crowd made the evening truly special. The excitement peaked with the prize drawing, and a thunderous congratulations goes out to all the lucky winners of the special prizes, whose smiles added to the night's warmth.

Such a seamless and joyous event doesn't happen by accident. Our deepest gratitude goes to Peter Tse (88) and the PTA Organizing Committee, whose meticulous planning and dedication ensured that everyone had an absolutely wonderful time.

Here's to great food, greater company, and the lasting legacy of La Salle. Until next time!

La Salle College Family Fun Day 2025-26

La Salle College

What an incredible day of community spirit and joy! The La Salle College Family Fun Day 2025 was successfully held this past Sunday, 25 January 2026, bringing together our community for a day that truly defined our Lasallian values of faith and service. We were immensely grateful to see the campus buzzing with such vibrant energy, a feat made possible through the sincere and unwavering support of the PTA, the OBA, and our dedicated parents, teachers and students.

The heart of the event was undoubtedly the food stalls, which flourished thanks to the enthusiastic support of our F.1 parents. Complementing the feast, the campus was transformed by a series of intriguing and creative game stalls, designed and hosted by our F.2 and F.4 students and Form Teachers, showcasing both the ingenuity and the collaborative teamwork that we take such pride in here as Lasallians. A special highlight this year was the inclusion of an NGO booth dedicated to sharing the cultural experiences of ethnic minorities with free henna art and food samples!

We would like to extend our deepest gratitude to everyone who participated, volunteered, and donated. The funds raised during this wonderful event will go a long way in supporting meaningful charitable causes, turning our collective fun into a powerful force for good. It was a proud day for the college, and we thank you for making this Sunday such a memorable and impactful milestone in our school calendar.

The La Salle Grand Challenge Tram

Turning the City Purple and Red: The La Salle Grand Challenge Tram

Hong Kong's iconic tramlines recently received a vibrant makeover with the official launch of the La Salle College Tram Wrap on March 12, 2026. Emblazoned with our school motto and celebrating 95 years of excellence, this themed tram serves as a rolling tribute to our heritage as we charge toward our Centenary.

The one-month campaign is the Grand Prize awarded to our students for their outstanding victory in the "Building Our Future Grand Challenge 2025." Our talented team—Chan C.N. (F.4), Chan P.C. (F.4), Mak H.L.G. (F.4), and Yeung H.G. (F.4)—captured the English Division Championship and 2nd place in the Audience Choice Awards.

Their winning project, “BiodiverCity,” is a visionary plan to transform Hong Kong’s tram stops into interactive green hubs. The design features green canopy rooftops, smart bird sanctuaries, and a mobile app designed to boost community eco-awareness through daily challenges. As champions, the team won an exchange trip to compete in the Singapore Finale this March, where they stood tall on the global stage as 2nd Runner-up.

The tram itself features a striking wrap designed by **J. Chan (F.5)** and made its maiden cruise from the Whitty Street Depot to much fanfare. This achievement would not have been possible without the dedication of **Mr. Terry Lam, Ms. Florence Li, Mr. Samuel Chan**, and all the teachers who supported the team throughout their journey.

For those currently in Hong Kong, the LSC tram will be roaming the streets through **April 12**. The LSCOPA has more exciting plans involving this tram campaign, so please stay tuned for further announcements. In the meantime, if you spot our colors on the tracks, be sure to snap a photo and share the joy with fellow Lasallians across the globe!

About the North American Lasallians

This electronic newsletter is a joint bimonthly publication, aiming at fostering communications and serves as a channel to reconnect La Salle old boys in North America and beyond. We welcome submissions of articles and photos that may be of general interest to the old boys community, including, but are not limited to, official announcements and recaps of events hosted by Chapters in North America and/or dedicated old boys (such as class reunion and excursions); old boys community updates from Hong Kong; news and stories of old boys overseas; La Salle related heritage; as well as a few words and/or photos of nostalgia.

Brother Thomas said it quite well at the inauguration of this newsletter in 2009: "The big challenge will be to ensure that that second, third and more editions see the light of day. It will only continue if each Chapter supplies news, views and copy on a regular basis." It would be even better if the word "Chapter" is replaced by "Lasallian". You are urged to help nourish this newsletter by contributing articles, news and even just pictures as often as you can. The subjects of your contributions need not be limited to only materials regarding LSC, LSPS, OBA chapter, HKLSCOBA and old boys, but may also include other subjects that are of general interest to the old boys community.

The editorial board reserves the rights to oversee and edit all submissions, to ensure all contents meet our publication standards, as well as are appropriate for the newsletter's intended audience & global circulation. Our editorial board has the exclusive right to reject submissions deemed to be not in line, or incompatible with the purpose or spirit of this newsletter at our sole discretion.
